GET BAKING...

Here at Stainsby Nursery we love to bake and this week we have a lovely baking activity for everyone to try.

So when Sarah found a great baking recipe for making Cheese Scones we wanted to share it with you.

WHAT YOU NEED-

- 8oz Self raising flour
- 2oz butter
- 3 oz grated cheese
- ½ tsp mustard powder
- 150ml milk
- 1 egg

HOW TO DO IT-

1. Wash hands, tie long hair back.
2. Preheat oven to 190c /gas mark 5.
3. Weigh and measure ingredients.
4. Rub together the flour and butter until it resembles breadcrumbs.
5. Add the mustard powder.
6. Stir in grated cheese.
7. Mix the egg and milk together.
8. Slowly add the milk/egg mixture to the rest of the ingredients. Do this a bit at a time, to form a soft dough, you won't need all of it.
9. Sprinkle some flour on your work top to stop your dough from sticking.
10. Roll out the dough to approx 2cm thick.
11. Use a cutter to cut out your scones.
12. Place on a greased baking tray.
13. Glaze the scones with some of the left over milk/egg mix.
14. Bake in the oven for 12-15 minutes.
15. Cool on a wire rack
16. Eat and enjoy.

GET RELAXING...

We how much you all like looking and reading your favourite books.

Here's a link to Storyline Online where you can find new and exciting stories to listen to

GET PRACTICING...

If you want to get those brains and fingers working in a simple and fun way we have found a wonderful idea for practicing your pencil grip and letters.

WHAT YOU NEED- pencils, paper.

Very simple parents don't panic!

For our Babies and Toddlers

Let them hold the pencil in their own way and let them make as many marks as they like.

You can try drawing lines down the page to see if they can copy and then move on to a circle.

For Pre-school

Some of your children may already be able to write their name but if not you can make their name using dots for them to go around.

Here's a quick link for you to download the alphabet.
